Custom Safety Measure Installations

Clear Curtain Partitions
Portable Partitions
Sneeze Guards

Price varies based on size

GUARDXPro is a PVC Film that can be applied to most surfaces. It provides 24-hour preventative protection against certain bacteria, due to the constant action of its Silver Ions.

HOW DOES IT WORK?

- The Anti-microbial molecule is included in the PVC film.
- GuardXPro film contain silver ions which are set free from the top layer when they come into contact with humidity.
- GuardXPro films have bacteriostatic properties.

24/7 PROTECTION FOR ALL TOUCH SURFACES
